Receive God's FREE Gift of Healing

Conceive the Word and Be Healed!!!

The intention of this book is that you will receive healing to your spirit, soul and body. Although this book is focused on healing, you can apply the truths in this book to every spiritual blessing that Jesus died to give you. Healing is only one of the spiritual blessings that are yours in Christ. **This book will help you to grow in your relationship with Jesus Christ who is the Word of God and who is your Healer.**

As you read through this book, you will want to take every scripture to heart. In order to do that you will need the Holy Spirit's help. Every step of the healing journey you are on needs to be saturated with the Holy Spirit. He will help you and guide you to receive all

that Jesus has already made available to you. He will stand with you. So as you begin your journey, and every step of the way, depend on the Holy Spirit to help you, guide you, enlighten you, empower you to fight the good fight of faith, counsel you, encourage you, comfort you and stand with you to bring you through to complete victory.

I depend on You, O Lord. My Hope is in You!!!

It is essential for you to take a few minutes right now and pour out your heart as you talk to the Holy Spirit.

Let's begin our journey with the Holy Spirit by looking at scriptures that will help us to realize the importance of having the Word of God in our hearts. Since this is a journey we are on, let us take one day at a time. If we look beyond one day, our circumstances and trials can become overwhelming so it is very important that we walk with God one day at a

time. Make it a priority each day to spend time with Jesus in the Word of God and do each day what He says to do.

Let's look at what Psalm 18 says God does for us as we cry out in faith and seek Him.

Psalm 18:16-19 "**He reached down** from on high and **took hold of me**; **he drew me out of deep waters**. **He rescued me** from my powerful enemy, from my foes, who were too strong for me. They confronted me in the day of my disaster, **but the Lord was my support**. **He brought me out into a spacious place**; **he rescued me because he delighted in me**" (emphasis added).

Did you see that God delights in you? Just like good parents delight in their children and come to their rescue and defense, even more so God delights in you, rescues you and defends you. He is your support. Think about this.

Psalm 18:27-36 "You save the humble but bring low those whose eyes are haughty. **You, O Lord, keep my lamp burning**; **my God turns my darkness into light**. **With your help I can advance against a troop, with my God I can scale a wall**. As for God, his way is perfect; the word of the Lord is flawless. **He is a shield for all who take refuge in him**. For who is God besides the Lord? And who is the Rock except our God? **It is God who arms me with strength and makes my way perfect**. **He makes my feet like the feet of a deer**; **he enables me to stand on the heights**. **He trains my hands for battle; my arms can bend a bow of bronze**. **You give me your shield of victory**, and **your right hand sustains me**; **you stoop down to make me great**. **You broaden the path beneath me**, so that my ankles do not turn" (emphasis added).

This is what God does for you when you seek Him with your heart.

Did you notice the phrase "your **right hand** sustains me" in verse 35? Whenever you see in scripture God's right hand, it is referring to Jesus. We know from the scriptures that Jesus is seated at the right hand of God the Father. In other words, He is of equal position, honor, power and authority with God the Father.

Psalm 18:37-40 "I pursued my enemies and overtook them; I did not turn back till they were destroyed. I crushed them so that they could not rise; they fell beneath my feet. You armed me with strength for battle; you made my adversaries bow at my feet. You made my enemies turn their backs in flight, and I destroyed my foes."

This is the result of God coming to your rescue and supporting you. You are empowered by the Holy Spirit to fight the good fight of faith. Your enemies (sickness and disease) are destroyed and they flee.

Please know that God is for you. He is invested in you and has made everything available for you to walk in victory.

I hope you have paid close attention to these scriptures. There is so much that you can ponder on in these verses. I hope you will take a few minutes to read all of Psalm 18 and meditate on it and allow God to encourage and speak to you. I pray that His words will penetrate your heart and bring life to you. God wants you to know that He is there to support you. You are not alone in this battle. He is with you. He is your ever present help in times of trouble.

Please read Exodus 15:1-21. After you have read these verses, take note of verse 6. In this verse, you see God's right hand again which is referring to Jesus. Jesus is majestic in power. Jesus shattered the enemy in the days of Moses. Jesus has no beginning and He has no end because He always existed. In the

Old Testament He was concealed and in the New Testament He was revealed. It is exciting to see Jesus in the Old Testament as well as in the New Testament.

Also take note of verses 1b and 4. These verses are referring to Pharaoh and his army being destroyed by the right hand of God. Our life application today is that through the redemptive work of Jesus every sickness and disease has been hurled into the sea. Just like God delivered the Israelites from their enemies, Jesus has delivered us from our enemies of sickness and disease.

Prayer: Thank You Jesus that you have hurled all my sicknesses and diseases into the sea thereby destroying them in my life. You have shattered my enemies and freed me from death and destruction.

In the King James Version, Romans 10:17 tells us that faith comes by hearing, and hearing the Word of God. When we continue

to study, meditate on, ponder and speak God's Word over our soul and body, **we are fighting the good fight of faith**. We are not fighting to get healed because Jesus has already healed us in His redemptive work. However, we are fighting to believe that we are already healed. We are fighting to maintain what Jesus has already accomplished for us. We are fighting to believe the Word of God that we are declaring. We fight the good fight of faith so that we can rest in the finished works of Jesus Christ and receive the **manifestations** of what is already available to us in Christ.

Sometimes when we are sick and the manifestation of healing is not coming quickly, we are told that we need to have more faith. Let me tell you something that will set you free from struggling to have more faith. We are not to put faith in our faith but rather we are to put our faith in Jesus (the Word of God) and what He has already done

for us in His redemptive work. We are to put our faith in the Word of God, not in our self. We are to put our faith in God that He will do what His Word says He will do. We put our faith in His promises. We put our faith in God's faithfulness, not in our faithfulness. With that having been said, the only way we can put our faith in God's Word and promises is **to know** what Jesus has done for us and what He promises us in His Word. When we spend time in the Word of God, our faith is strengthened to believe God's promises.

This book is filled with scriptures so that you can know what God's great and precious promises are and draw your strength from His Word.

God's Word is alive and active. As we meditate on His Word and His promises, we are focusing on Jesus and life that comes from His Word is being imparted to us. The Word is literally becoming alive on the inside of us

bringing manifestation of healing and wholeness. Sometimes a miracle takes place and healing is instantaneous but most of the time it is little by little. So be patient and seek God in His Word.

Don't seek healing. Seek the Healer!!!

Matthew 17:20b "I tell you the truth, if you have faith as small as a mustard seed, **you can say to this mountain**, 'Move from here to there' and it will move. Nothing will be impossible for you" (emphasis added).

A mustard seed is very small but when **planted** produces a very large tree. God's Word is meant to be **planted** in our heart as a seed and it will produce a great harvest. We don't need huge faith to be healed. It is not about us having a big faith. It is about us putting our small faith in a BIG God and simply believing His promises. God wants us to have child-like faith. A child simply believes. Child-like faith moves mountains.

This book is designed to cause faith to rise up in You!!!

Let faith IN GOD arise within you as you meditate upon His Word!!!

The word "meditate" means to ponder, to speak or to mutter. Our mouth is involved.

In other words, when we meditate upon the Word of God, we speak it out loud and we ponder it in our heart. I suggest you read this Book out loud because when you do that you are not only seeing the Word with your eyes but you are hearing the Word with your ears. What you see and hear will go into your heart and what is in your heart will come out of your mouth.

I would like to point out something before we go on. Satan is a counterfeit and he tries to copy what God is doing. There is right meditation and there is wrong meditation. Wrong meditation is when people get into a

certain position and empty their minds to try to find peace. Right meditation is when we fill our minds and hearts with the Word of God and what Jesus has done for us in His redemptive work.

Prayer: Thank You, Father, for helping me to plant the Living Word of God into my heart so that when I speak to this mountain of sickness in my life and command it, in the Name of Jesus, to move out of me, I will believe it is so.

John 4:1-30 is about Jesus and the Samaritan woman at the well. If we understand the spiritual truths in these passages, it will help us in our journey.

In verse 6, Jesus **sat down** by a well to rest. He could have decided to **rest** anywhere but He **sat down** by a well. We know that a well is supposed to hold water. Jesus sat down by a well as He was tired and thirsty and He

needed to rest. When we are tired and thirsty we also have a well that we can **sit down** at. The Word of God is a well for us that will refresh us. We can find refreshment and **rest** in the Word of God which represents water (well). Ephesians 5:26 tells us that the Word of God is like being washed and cleansed with water. When we are weary from the journey that we are on, we find **refreshment, nourishment, strength, healing, wholeness, rest, comfort, spiritual growth, etc.** from drinking the Word of God which is our spiritual well.

In verse 7, Jesus asked the Samaritan woman for a drink. Jesus knew that natural water always refreshes and satisfies the one who is weary. It is the same with the spiritual water found in the Word of God. It will always refresh and satisfy the weary and those thirsty for more of God.

It is interesting to note that Jesus never got a drink from the physical well yet in verse 32 we read that He was refreshed as He was drinking from the spiritual well that came from His relationship with His Father. It wasn't Jesus' intent to actually receive a drink from the woman but that the woman would receive a spiritual drink from Him, the Word of God.

It says in verse 8 that His disciples had gone into the town to buy food. They would also have bought something to drink. The disciples turned to natural means to be refreshed from the journey but Jesus looked to the Father for supernatural provision as His source of nourishment.

When we are tired, weary, sick, burdened or stressed, who or what do we turn to in order to be refreshed?

In verse 10, Jesus told the Samaritan woman that if she had only recognized who He was

and **the gift God wanted to give her**, she would have asked Him for **Living Water**. Hebrews 4:12a tells us that the Word of God is **living** and active, sharper than any double-edged sword. In other words, the Word of God is alive, actively working on our behalf. Jesus, who is the Word of God and **the Living Water,** was sitting right there in front of the woman and speaking with her.

When we meditate on the Word, it goes into our hearts and brings life to us!!!

In verses 13-14, Jesus says to the woman: "Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed the water I give him will become in him a spring of water welling up to eternal life."

Jesus was referring to Himself. He is the Living Water. As we meditate on the Word of God, Living Water will well up on the inside of us and enable us to live the abundant life

that Jesus died to give us. It is life-giving and refreshing. It feeds our spirit which will have powerful effects in our soul and body as well, bringing health, wholeness and well-being.

In verse 15, the Samaritan woman asked Jesus for Living Water and in verses 16-26 Jesus responds to her request by revealing Himself to her as One who knows everything about her **and tells her that He is the Messiah**. He was revealing to her that He was the Living Water.

In verse 28, the woman leaves her water jar behind which represents her old ways and her past. She went to tell the people in her town (her family and neighborhood) about Jesus and invited them to come and meet Him. She was testifying to them about Jesus, the Living Water, who changed her life and enabled her to leave her past behind; to leave the condemnation behind, the guilt behind, the unforgiveness behind, the wrong way of

living behind and to embrace the new life that Jesus gave to her as a gift. She believed in Jesus, the Word of God, the Living Water, and He changed her life. By leaving her water jar, she was leaving her past behind and embarking on a new journey with Jesus that had just begun. She believed and received the Living Water, Jesus, and now she wanted others to believe in Jesus as well. In verses 40 and 42, it says that many others believed in Jesus and received the free gift of God.

Jesus is the Word of God. He is the Living Water. He revealed Himself to the Samaritan woman when she asked Him to give her Living Water. He also revealed Himself to the other Samaritans and they received Living Water as well.

We received Living Water at salvation when we first believed. Jesus, who is the Living Water, lives in us. In verse 14, Jesus says the

water He gives **will become** in us **a spring of water welling up to eternal life**.

As we spend time sitting at the well, resting at Jesus' feet and getting to know Jesus, who is the Word of God, for ourselves, we will experience this spring of water welling up inside of us and bringing life to not only our spirit, but our soul and body as well.

Jesus rested at the well. The Word of God is like a well that we can rest at and receive strength as we allow the water of the Word to refresh us. Unlike the water from the well, which only satisfies for a moment, the spring of water from the Word of God will continue to satisfy over and over and over as we meditate on it.

Jesus says in John 7:37-38 "If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has said, streams of living water will flow from within him."

If you have never received Jesus as your personal Savior and Lord and would like to, please say this prayer with your heart. When you say this prayer you are being like the Samaritan woman who asked Jesus to give her Living Water.

Prayer: Dear Jesus I believe in You and I want to get to know you more and more. I ask You to give me Living Water that saves me, satisfies my soul and heals my body. I want everything You have for me. Thank You Jesus for saving me.

Proverbs 4:20-23 "My son, pay attention to what **I say**; listen closely to my **Words.** Do not let them out of your sight, keep them within your heart, for they are **life** to those who find them and **health to a man's whole body**. Above all else, guard your heart, for it is **the wellspring of life**" (emphasis added).

Did you see that God's Word brings life to our soul and health to our whole body? God's

Word is life to us. It is the Word of God that brings healing to us (our spirit, soul and body).

Listen to what God is saying to you in your situation. Pay attention and listen closely to what God says about you in His Word. Keep before you what God says. Meditate on and speak healing scriptures and His Word will **live** in your heart and bring **life** and **healing** to you. God's Word will be planted in your heart **as a seed** and as you meditate upon His Word **that seed will grow and produce the desired results in your life**. As the seed of God's Word is **conceived** in your heart it will sprout inside of you and give birth. **Conceive** the Word of God and it will bring forth life (healing, deliverance and wholeness). Mary **conceived** the Word the angel spoke to her and she gave birth to baby Jesus.

Just like a farmer plants seed into the ground with sunshine and water that seed will grow

and it will produce a crop. As we plant God's Word, in the form of a seed, into our hearts, it will grow as we focus on Jesus (the Son) and water that seed by continuing to read and meditate on the promises in God's Word. When a farmer plants apple seeds, he will reap a harvest of apples. When we plant healing seeds, we will reap a harvest of health.

Matthew 9:27-30a "As Jesus went on from there, two blind men followed him, calling out, 'Have mercy on us, Son of David!' When he had gone in doors, the blind men came to him, and he asked them, '**Do you believe**, that I am able to do this?' 'Yes, Lord', they replied. Then he touched their eyes and said, '**According to your faith** will it be done to you.' And their sight was restored" (emphasis added).

These two blind men were persistent. They **followed Jesus** even into the house. They

were not going to go away until they had **received** their healing.

In Mark 2:3-4 we see some men carrying a paralytic on a mat and because of the crowds they could not get through the door to Jesus. So they went up on the roof, made an opening in the roof and lowered the paralytic down in front of Jesus.

Will you be persistent? Will you receive the healing that Jesus has already provided for you? Will you wait for the manifestation of that healing to appear in your body and your soul **by continuing to meditate upon God's promises**? Will you be persistent just like the two blind men and the men carrying the paralytic? Please don't give up.

Prayer: Father, in Jesus' Name, help me, by the power of Your Holy Spirit, to be persistent in believing the Word of God, even when everything is saying I'm not healed. Help me to meditate upon Your promises

until the full manifestation of Your healing appears. Help me to never give up. Help me to keep my eyes on Jesus, who is the Word of God, not on my circumstances.

Hebrews 11:1 "Now faith is being sure of what we hope for and certain of what we do not see."

We walk by faith and not by sight. If we have the full manifestation of our healing, we don't need faith in that area anymore because we have what we believed God for. However, if we are still sick, then we need to continue to employ faith because it is faith in God's Word that will bring to pass what we hope for and do not yet see.

Faith sees. Faith sees the answer. Faith sees the end result. Faith sees what Jesus accomplished for us. **Faith comes when we put the Word into our heart and meditate on it.** The Word of God (the Bible) is the only thing we are to meditate on. Jesus is the

Word of God. Therefore, we can meditate on Jesus and who He is and all that He has done for us. By reading and meditating on the healing scriptures in this book and in the Bible, you are meditating on the Word of God. The Word (Jesus) is filling your heart, and your mind is being renewed **and transformation in your soul and body is taking place**. The Bible says that whatever is in your heart will come out of your mouth. As you store healing scriptures in your heart, faith will arise and faith will begin to come out of your mouth.

Faith comes by hearing and hearing the Word of God!!!

Please listen closely to what I am about to say. I pray that the Holy Spirit will help you hear God's heart.

Confessions and declarations are good if they are combined with faith and line up with God's Word. We can make all kinds of

confessions or declarations but do we really believe them? It is not about our self-efforts in making declarations. Our declarations should not become all about us and our faithfulness to declare them. They should be all about God's faithfulness to watch over His Word, that we are declaring, to bring it to pass. We can become pre-occupied with our declarations rather than becoming occupied with Jesus through His Word. So it is not about us just simply making declarations but rather it is about God's faithfulness to keep His promises. It is all about God, not about us.

Abraham had a relationship with God and he believed **God's promise**. God changed Abram's name to Abraham which means the father of many nations. Every time Abraham said his name he was declaring that he was the father of many nations but it was **Abraham's belief in God** that was credited to him as righteousness. When we **believe**

God's promises, we will speak God's promises and God will watch to see that His Word is fulfilled. Confessions/declarations by themselves will have no, or little, results but when we combine them with faith in a faithful God who keeps His Word and His promises, there will be great results. It's all about having a relationship with God. Because Abraham had a relationship with God, He believed God's promise to him and it came to pass. As we have a relationship with the Word of God (Jesus), we will believe His promises and they will come to pass in our lives.

Luke 6:45 "The good man brings good things out of the good **stored up in his heart**, and the evil man brings evil things out of the evil **stored up in his heart**. **For out of the overflow of his heart his mouth speaks**" (emphasis added).

In other words, the words we speak originate from what is stored up in our heart (whether

good or evil) and reveal our true inner thoughts and beliefs. It is so important to store God's Word in our hearts so that we will speak right, think right and believe right.

Jesus is the Word of God. He is our Healer!!!

Keep meditating on healing scriptures in God's Word until the victory is manifested in your life!!!

Until the victory is manifested, keep taking your medication and do what the Holy Spirit is directing you to do. **Be careful that you don't presume that you can go off your medication.** I know of a person who had diabetes and he did some very unwise things and he ended up dying prematurely. So make sure that you are being led by the Holy Spirit in your decisions and get confirmations.

Isaiah 35:5-6 "Then will the eyes of the blind be opened and the ears of the deaf unstopped. Then will the lame leap like a

deer, and the mute tongue shout for joy. Water will gush forth in the wilderness and streams in the desert."

Jesus is the fulfillment of this Old Testament prophecy.

Let's look at some scriptures in the New Testament that verify this.

Matthew 15:30-31 "Great crowds came to him, bringing the lame, the blind, the crippled, the mute and many others, and laid them at his feet and he healed them. The people were amazed when they saw the mute speaking, the crippled made well, the lame walking and the blind seeing. And they praised the God of Israel."

In Mark 7:32-35 Jesus opened a man's ears and loosed his tongue so that he could hear and speak plainly.

John 7:37-38 "On the last and greatest day of the Feast, Jesus stood and said in a loud voice,

‘If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has said, **streams of living water will flow** from within them” (emphasis added).

In Isaiah 35:6 above, we see that water gushes forth in the barren and dry places and in John 7:38 we see that **as we come to Jesus and drink His Word, streams of living water will flow or gush from within us**. God’s Word will manifest and gush forth from within us to those places in our spirit, soul and body that are dry and needing healing, deliverance, wholeness, peace, joy, comfort, strength, etc.

3 John :2 “Dear friend, I pray that you may enjoy good health and that all may go well with you, **even as your soul is getting along well**” (emphasis added).

Jesus wants us to enjoy good health spiritually, emotionally, mentally and

physically. This is His desire for us. That is why He did what He did for us in His redemptive work. He came to make us whole in every area of our lives (spirit, soul and body).

As our soul is nourished by the Word of God, **it will believe the Word** and healing will come forth to our soul. As our soul is healed, so will our bodies be healed. As our soul **believes** and prospers in the Word of God, our body will respond to what our soul believes. Our breakthrough begins in our soul first. When our soul believes right and is healed, everything else will follow.

John 15:1-2 "I am the true vine, and my Father is the gardener. He **cuts off** every branch **in me** that bears no fruit, while every branch that does bear fruit he prunes, so that it will be even more fruitful" (emphasis added).

The Words “cuts off” come from the Greek word “Airo” which means to lift up, to raise up, to pick up, to take away and to remove.

Please look up and read these two verses in The Passion Translation.

In these verses, Jesus is giving us a picture of a vine and its branches but He is really talking about people who believe in Him but are struggling to bear fruit. We are the branches and He is the Vine. Jesus is talking about people who already believe in Him as he has used the words “in me” in this verse. In other Words, the branches are referring to people who already believe in Him and are in Him. Some of these people are not bearing fruit. When you look at the meaning of the Words “cuts off”, we see our Heavenly Father lifting up, raising up and picking up these branches (people) who are still attached to the vine (Jesus). He takes away and removes all death and destruction and everything that

would hinder their growth so that they can bear fruit. I believe these people need healing to take place in their souls and our Heavenly Father, who is the Gardener, is coming alongside of them to help them forgive and receive healing in their souls. He wants our soul healed so that we can bear good fruit. Please allow the Holy Spirit to show you any area in your soul that needs healing. Then give those wounds and hurts to Jesus and receive His healing to your soul.

Also, in this verse, we see the branches who are bearing fruit which our Heavenly Father prunes by continuing to remove all death and destruction and everything that would hinder their growth so that they can bear even more fruit.

Let's continue on with John 15.

John 15:4-5 "Remain in me, and I will remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you

bear fruit unless you remain in me. I am the vine, you are the branches, if a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing."

How do we remain in Jesus?

These verses are telling us to continue to stay in Him (the Word of God). Jesus says I am the Life-giving vine. Life flows from me to you as you remain in my Word. We are nourished by the vine who is Jesus, the Word of God. Life flows to us (a branch) as we remain in the vine. The vine is the life source. Just as the natural branch receives life from the vine causing it to bear much fruit, we will receive life as we remain in Jesus (the Word of God) and we will reap a great harvest which includes healing, wholeness, etc.

John 15:7 "If you remain in me **and my words remain in you**, ask whatever you wish, and it will be given you" (emphasis added).

When we remain in Jesus and His words remain in us, we will always ask in accordance with His Word. Healing, deliverance and wholeness are always in accordance with God's Word.

Do you see the importance of remaining in Jesus by meditating on, studying and speaking God's Word?

John 10:10 "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full."

As we continue to remain in Jesus, the Word of God, Jesus promises us that we will have life abundantly.

Prayer: Thank You Father that Jesus made healing available to my **soul as well as my body**. Please help me to receive healing to my soul which is my mind, my will and my emotions. Help me to give you all of my wounds and hurts and help me to forgive

everyone who has hurt me. Since forgivenss is a choice and not a feeling, and since unforgiveness will only continue to hurt me and keep me bound, I choose right now to forgive. Help me by the power of your Spirit to receive all that Jesus accomplished for me. I receive Your healing power right now to the wounds and hurts in my heart. Help me to believe that I am whole in Christ in my soul so that my body will be whole as well. As more wounds and hurts surface in my heart over time please help me to continue to receive Your healing power and to make the choice to forgive, in Jesus' Name.

Isaiah 55:1-3 "Come, all you who are thirsty, come to the waters; and you who have no money come, buy and eat! Come, buy wine and milk without money and without cost (it is free). Why spend money on what is not bread (not Living Bread), and your labor on what does not satisfy (does not bring good results)? Listen, listen to me, and eat what is

good (eat my word), and **your soul will delight in the richest of fare**. Give ear and come to me; hear me, **that your soul may live**" (emphasis and parenthesis added).

These verses are packed with blessings. God is calling us to satisfy our thirsty souls with living water which is symbolic of the Word of God. He is telling us that we can eat from the Word free of charge. He is telling us to eat and chew the Word through pondering on the Word, meditating on it and speaking it. The Word is free. He says to buy wine and milk without cost. Wine speaks of grace and milk speaks of the Word. 1 Peter 2:2 tells us to crave pure spiritual milk so that we can grow up in our salvation. Part of growing up in our salvation is to regard God in our lives and receive from His hand every spiritual blessing in Christ. He tells us to spend our time in the Word which will satisfy and delight our soul. We know from 3 John :2

that when our soul is healed, so will our body live and be healed.

Every time you see a free gift in scripture, pay attention and receive it!!!

Proverbs 16:24 "**Pleasant words** are a honeycomb, **sweet to the soul and healing to the bones**" (emphasis added).

Proverbs 15:30 "A cheerful look brings joy to the heart, and **good news gives health to the bones**" (emphasis added).

God's Word is the pleasant words and the good news that brings health to me. God's Word brings life and healing to my spirit, soul and body. It is alive and actively working in me as I meditate upon it.

Isaiah 61:1-3 "The Spirit of the Sovereign Lord is on me, because the Lord has anointed me to preach **good news** to the **poor**. He has sent me to bind up the **brokenhearted**, to

proclaim freedom for the **captives** and release from darkness for the **prisoners,** to proclaim the year of the Lord's favor and the day of vengeance of our God, to comfort all who **mourn**, and provide for those who **grieve** in Zion – to bestow on them **a crown of beauty (life) instead of ashes (death), the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair**. They will be called oaks of righteousness (displaying strength, vitality and stability), a planting of the Lord for the display of his splendor" (emphasis and parenthesis added).

What sickness or disease is holding you captive?

Jesus has already come. He came to set people free from captivity whether it be spiritual or physical poorness, spiritual or physical prisons, broken hearts, mourning, grieving, death, despair, etc. He did this by

preaching good news which is the gospel. The gospel is found in Jesus Christ, the Word of God. He came to bring **freedom**, life, joy, thanksgiving, etc. so that we will walk in spiritual and physical strength, vitality, stability, wholeness and health.

Verse 2 says that this is the year of the Lord's favor (for Jeannette). I have put my own name in there. I have God's favor now and every year. He goes on to say that this is the day of vengeance of our God (for Jeannette). You can put your name there as well. In other words, God is my Avenger. He has already avenged me from sickness and disease and any demon that would be fueling the sickness and disease.

As we meditate upon and speak God's Word, we are already beginning to win the battle for our soul and body that Jesus fought and won for us!!!

Luke 18:1-8 “Then Jesus told his disciples a parable to show them that they should **always pray and not give up**. He said: ‘In a certain town there was a judge who neither feared God nor cared about men. And there was a widow in that town who kept coming to him with the plea, ‘Grant me justice against my adversary’. For some time he refused. But finally he said to himself, ‘Even though I don’t fear God or care about men, yet because this widow keeps bothering me, I will see that she gets justice, so that she won’t eventually wear me out with her coming!’ And the Lord said, ‘Listen to what the unjust judge says. And will not God bring about justice for his chosen ones, who cry out to him day and night? Will he keep putting them off? I tell you, he will see that they get justice, and quickly. However, when the Son of Man comes, will he find faith on the earth?’ ” (emphasis added).

This is a parable of the **persistent** widow. Jesus gave His disciples this parable to show them that they should **always pray and not give up**. He told them how an unjust judge granted the widow's request because he realized that she was not going to give up. His motive in granting the widow's request was selfish but, none the less, the widow got what she wanted because of her persistence. Jesus tells the disciples to listen to what the unjust judge says. The judge said that it was because of the widow's persistence that he granted her request. Even though the judge was unjust, did not believe in God and did not care about anyone but himself, he granted her request. How much more will not God, who is just, and who loves and cares for us, see to it that he grants our requests. Then Jesus says something that I didn't understand for a long time. He said "when the Son of Man comes, will he find faith on the earth?" What Jesus is saying here is that faith is found in

the one who doesn't give up and in the one who keeps on believing until their request is granted.

Don't quit. Don't give up.

Keep believing God!!!

Your faith is being made strong!!!

Hebrews 4:12 "For the Word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing **soul** and **spirit**, joints and marrow (**body**); it judges the thoughts and attitudes of the heart" (emphasis and parenthesis added).

Jesus is the Word of God. He is alive and actively working to manifest His life in **our spirit, soul and body** just like He did when He physically walked on earth. Jesus touched, delivered, healed and made whole everyone who came to Him while He walked on earth and **then He willingly went to the cross and healed all of mankind (which**

includes you and me). When we meditate on healing scriptures, we are coming to Jesus, our Healer, and His healing power is flowing to us. We receive this healing by grace through faith. Faith takes what grace has already made available to us.

This scripture says that the Word is sharper than any double-edged sword penetrating deep into the depths and very core of our being. It gives us power to have right thoughts, attitudes and motives. This scripture is a powerful reminder of the transformative and discerning nature of God's Word and how it can reveal and address the deepest parts of our being and set us free in our spirit, soul and body.

I want to mention one more thing about the Word of God that is sharper than any double-edged sword. When Jehoshaphat humbled himself before the Lord and before the assembly of Judah and Jerusalem as there

were armies coming against them that were too powerful for them to defeat, the Word of the Lord came to him and all in Judah and Jerusalem.

2 Chronicles 20:17 “You will not have to fight this battle. Take up your positions; stand firm and see the deliverance the Lord will give you, O Judah and Jerusalem. Do not be afraid; do not be discouraged. Go out to face them tomorrow and the Lord will be with you.”

We know from reading on in 2 Chronicles 20 that God went before them and defeated their enemies on their behalf. They did not even have to fight. They were told to stand firm and take up their positions and to not be afraid or discouraged. They were told to go out and face their enemies and they did what God told them to do. When we put 2 Chronicles 20 together with Hebrews 4:12 where it says that the Word of God is sharper

than any double-edged sword, we do not have to be afraid or discouraged of what comes against us, that is too powerful for us, because God is fighting for us. **It is our Sword, the Word of God, that is fighting for us and delivering us from our enemies of sickness and disease.** We take our stand on the Word of God, believe it and declare it. We position ourselves in the Word of God (Jesus, our Sword), do what He tells us to do **and the Word fights for us**.

Let's look at Psalm 23, verse by verse, and see how we can mediate on it.

Psalm 23:1 "The Lord is my shepherd, I shall not be in want."

You can thank your Heavenly Father that He takes care of your every need and everything that concerns you; that all your needs are met in Him; that He guides you, leads you, lifts you up, protects you, teaches you and defends you.

Verse 2 “He makes me lie down in green pastures, he leads me beside quiet waters.”

You can thank God that He leads you to quiet dwelling places in His Word so that you will be at peace and enter into His Rest; that He removes stress from you, comforts you, pours His love into your heart and feeds you.

Verse 3 “he restores my soul. He guides me in paths of righteousness for his name’s sake.”

You can thank God for restoring, refreshing and healing your soul; that He ministers to the very depths of your being, strengthening you, encouraging you, reminding you and assuring you that you are His; that you are in right standing with Him.

Verse 4 “Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me.”

You can thank your Heavenly Father that even though you may be going through troublesome and stormy times, you are assured that you don't have to fear because He is with you; that His rod (correction) protects you from danger and His staff gently draws you close to Him where life, healing and wholeness flows to you.

Verse 5 "You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows."

You can thank God that you can come and eat at the table He sets before you which includes healing, deliverance, wholeness, peace, etc. You can thank Him that the anointing oil, which is symbolic of God's generosity, is overflowing in your life with His abundant blessings, honor and favor affecting your entire person.

Verse 6 “Surely goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever.”

You can thank your Heavenly Father for His grace, mercy and love that is following you always and for helping you to dwell in His Presence now and forever.

Can you see that by meditating on each verse it is much more powerful than simply reading it? By meditating on the verses, you are allowing the Holy Spirit to speak to you and illuminate the Word.

You can do this with every scripture in this book. I would encourage you to write out scripture as you will see far more when you write it out than just by reading it. Words will jump out at you that you didn’t even notice when you read it. As you mediate on each scripture, you are drinking and eating the Word and it is nourishing, refreshing,

satisfying and healing your spirit, soul and body.

Isaiah 54:17 “No weapon forged (formed) against you will prevail, and you will refute (silence) every tongue that accuses you. This is the heritage of the servants of the Lord, and this is their vindication (justification) from me, declares the Lord” (parenthesis added).

God assures us in this scripture that although weapons may form against us, they will not prosper. He assures us that we can silence every tongue that rises up against us as we believe His promises. These tongues can be medical reports that rise up against us. The enemy will use medical reports to bring fear and discouragement BUT GOD SAYS that no weapon formed against us will prevail. The fears from the medical report will subside (be silenced) as you meditate on this scripture as well as other healing scriptures.

Matthew 8:1-3 “When he came down from the mountainside, large crowds followed him. A man with leprosy came and knelt before him and said, ‘Lord, if you are willing, you can make me clean.’ Jesus reached out his hand and touched the man. **‘I am willing’**, he said. **‘Be clean!’** Immediately he was cured of his leprosy” (emphasis added).

It is God’s will for us to be healed. Jesus **IS** willing to heal us. In fact, He has already done it through His redemptive work.

1 Timothy 2:4 “Who **wants** all men to be saved and to come to a knowledge of the truth” (emphasis added).

The word “wants” in this scripture is the same Greek word for “willing” in Matthew 8:3 above. Just like Jesus wants me to be saved so that I can have a relationship with Him, he wants my soul and body healed. The way

God feels about salvation is the exact same way He feels about healing.

Matthew 8:5-7 "When Jesus had entered Capernaum, a centurion came to him, asking for help. 'Lord', he said, 'my servant lies at home paralyzed and in terrible suffering'. **Jesus said to him, 'I will go and heal him**'" (emphasis added).

Jesus willingly went to the cross and healed us. Think about that! Just like Jesus was willing to go and heal the centurion's servant, He willingly went to the cross and healed me and you.

Jeremiah 1:9-10 "Then the Lord reached out his hand and touched my mouth and said to me, 'Now, **I have put my Words in your mouth**. See, today I appoint you over nations and kingdoms to **uproot** and **tear down**, to **destroy** and **overthrow**, to **build** and to **plant**'" (emphasis added).

God called Jeremiah as a Prophet and gave him authority to **speak** the Words that God put in his mouth to the people of Judah but these scriptures also have a spiritual application for us today. As we mediate on and ponder the Word of God (the promises of God), His Word will take root in our hearts and will come out of our mouths. The Word of God that comes out of our mouth will uproot and tear down, overthrow and destroy the lies and deception of the enemy and **everything that exalts itself above the knowledge of God in our lives**. It will uproot and tear down, overthrow and destroy every wrong belief, every curse, every sickness and disease, every stronghold and everything that is not of God. God's Word will actively work on our behalf setting us free from the schemes and plans of the enemy to keep us bond and captive to him. The Word of God will also build and plant in our lives. The Word is planted in our hearts

as a seed and as we water that seed, God will make it grow and we will enjoy its harvest. As we plant the Word in our hearts through meditation, study of the Word and speaking healing scriptures, strength, healing, deliverance, wholeness, life, joy, peace and righteousness of the Holy Spirit is being built within us and the seeds of God's Word that is planted in our hearts will bring forth a great harvest.

Jeremiah 1:11-12 "The Word of the Lord came to me: 'What do you see, Jeremiah?' 'I see the branch of an almond tree,' I replied. The Lord said to me, 'You have seen correctly, **for I am watching to see that my Word is fulfilled**'" (emphasis added).

When we spend time with Jesus in the Word, our hearts are made full with His Word and it comes out of our mouth. God says that He will watch to see that His Word that we are speaking is fulfilled.

Because of verse 12, I keep my heart in a receiving posture expecting God to move. I am relying on His Word (Jesus) and His faithfulness for my healing to manifest, not on myself. I am at rest in Him because He is at work watching to see that His Word that I am meditating on, pondering and speaking is fulfilled in my life.

I will build my life upon the Word of God!!!

Jesus is my Anchor. He holds me steady!!!

Isaiah 55:11 "so is my Word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it."

God gave us His Word (Jesus). He says His Word will not return to Him void. When we read, study, meditate on and speak the Word of God, just like when Jeremiah spoke the Words God gave him, God will watch over His

Word to accomplish what He desires and achieve the purpose for which He sent it.

When we put healing scriptures in our hearts and speak them out, healing will come forth because the Word of God is living and actively working on our behalf. Our part is to cooperate with the Holy Spirit in receiving these promises so that faith arises in us. God's Word, that we put in our hearts and speak, will do the rest because it is alive and actively working to bring about the desired results.

Knowing and understanding this will help you to enter into the rest of God where you are not trying to make something happen on your own. Instead you are entering into God's realm where you are believing that God's Word is actively working on your behalf. When you believe that it is all about Jesus, the Word of God, and not your self-efforts to get healed, you will move from

trying to get something from God in your own power to believing, resting and receiving His gifts.

Romans 12:2 “Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is – his good, pleasing and perfect will.”

We renew our minds with the Word of God. It is the Word of God that transforms us. It is the Word (Jesus) that brings change (transformation) to our spirit, soul and body.

Are you sick? Are you discouraged? Are you overwhelmed? Are you walking in doubt or unbelief?

The Word of God will bring transformation into your life!!!

So let’s look at some more scriptures and mediate on them which will build our faith to believe these promises.

2 Corinthians 1:20 says the promises of God are “yes” and “amen” in Christ Jesus.

Psalm 107:20 “He sent forth his Word and healed them; he rescued them from the grave.”

KJV says “and delivered them from their destruction”.

Please reread this scripture and replace the word “them” with your own name.

You are not too sick that God can’t heal you. This scripture says that God rescued you from the grave (death) and destruction. Think about that. Nothing is impossible with God. With man it is impossible, but not with God.

What is it that you need to be healed of?

What destruction or death do you need to be delivered from?

As we study, ponder and meditate on healing scriptures, **we are fellowshipping with Jesus** and His Word becomes alive in our hearts. We believe it and manifestations occur. We partake of the Living Bread of Life and we are sustained, renewed, healed, delivered and made whole. Our part is to make time for Jesus (His Word) and God will do the rest. God is watching to see that His Word is fulfilled.

Do you see that this is all about Jesus? It isn't about us just getting healed. It is about Jesus, our Healer. It is about our relationship with Jesus, the Living Word of God, the Bread of Life.

Ephesians 2:8 "For it is by grace you have been saved, through faith – and this not from yourselves, it is the gift of God – not by works, so that no one can boast."

Saved in this verse is from the greek work "sozo" which means to save, deliver, rescue,

protect, heal, preserve, make whole. In other Words, it is not only salvation to our spirit but also to our soul and body. It is a verb and it is in the perfect tense indicating a past action with continuing results, suggesting that salvation of our spirit, soul and body is a past event with present and future implications.

This verse also tells us that grace is a gift from God. A gift is free. We receive a gift and benefit from a gift. Once we receive the gift, it is ours.

We receive salvation to our spirit by grace through faith in Jesus Christ and we receive healing to our soul and body the same way. Healing to our soul and body is a free gift just like salvation to our spirit is a free gift.

What is the grace of God? Grace is Jesus Himself. Jesus gives us unearned, unmerited and undeserved favor with God. We can't earn grace. We don't deserve grace and we

can't merit grace. Grace is a free gift to us and by faith in Jesus we receive it. In other words, it is not from our own efforts or by our good works that we have salvation, healing or any other spiritual blessing.

Romans 5:17 "For if, by the trespass of the one man, death reigned through that one man, how much more will those who receive God's abundant provision of grace and of the gift of righteousness reign in life through the one man, Jesus Christ."

This verse tells us that when we receive God's abundant provision of grace (which we know is a gift from God) and His gift of righteousness we will reign in life with Jesus Christ. Death reigned through Adam but with these two gifts, God's Word says that **we will reign in life with Jesus**. So make sure you are receiving and walking in these two gifts.

Prayer: Heavenly Father, I receive Your gifts of grace and righteousness. Please help me to

walk daily in these two gifts so that I will reign in the fullness of life that Jesus died to give me, in Jesus' Name.

John 10:10 "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full."

Jesus is telling us that He came to bring fullness of life to us. The life of Jesus stamps out death, destruction and everything that the enemy tries to steal from us. The life that Jesus gives to us is greater than anything the thief does.

The Word of God that is alive in our hearts brings life and stamps out death!!!

The Word and Jesus cannot be separated because they are One. When we read, study, meditate on and speak the Word over our lives and circumstances, **we are walking in an intimate relationship with Jesus Christ** who brings us life and changes everything.

Matthew 14:36 "People brought all their sick to him and begged him to let the sick just touch the edge of his cloak, and **all** who touched him were healed" (emphasis added).

Matthew 19:2 "Large crowds followed him and he healed them there."

Matthew 21:14 "The blind and the lame came to him at the temple, and he healed them."

Prayer: Just like people brought the sick to You, Jesus, I come before You and I thank You for healing me (mention those specific areas in your body and soul that you are believing God for healing). I receive Your healing now. I receive the inheritance You died to give me. Healing is part of my inheritance. It belongs to me as Your child. Thank You for the manifestations of Your healing in my soul and body. Help me to firmly grasp and receive by faith what grace has already made available to me.

Psalm 91 is a powerful Psalm to meditate on. Please mediate on this whole Psalm but I would like to bring forth some highlights here. As we make God our dwelling place, He assures us in verse 3 that **He will save us from the fowler's snare and from the deadly pestilence**. This is a powerful promise. Think about this. He says He will save us from everything that stocks against us, even premature death. In verses 6-7 He says that **no plaque or pestilence will come near us**. In verse 10 He says that **no harm will befall us and no disaster will come near our tent**. In verses 14-15, He says **He will rescue us and deliver and honor us** and finally in verse 16 He says **He will satisfy us with long life and show us His salvation (spirit, soul and body)**.

This is God's Word that we can meditate on until we see manifestations of healing in our soul and body.

God's Perfect Love casts fear far from me!!!

1 John 4:18 "There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love.

Sometimes believers have a fear that God is punishing them and that they are sick because of something they did. That is a lie of the enemy. This scripture tells us that this fear, and every other fear, is driven out by God's love. When we feel anxiety and fear, we run into God's love by meditating on scriptures pertaining to His love and His perfect love will remove that fear far from us.

Luke 4:40 "When the sun was setting, the people brought to Jesus **all** who had various kinds of sickness, and laying his hands **on each one**, he healed them" (emphasis added).

Luke 8:50 "Hearing this, Jesus said to Jairus, 'Don't be afraid; **just believe**, and she will be healed'" (emphasis added).

We don't have to do everything right to be healed. We don't have to be perfect before God will heal us. Jesus told Jairus to not be afraid and to believe in order for his daughter to be healed.

Luke 9:11 "But the crowds learned about it and followed him. He **welcomed them** and spoke to them about the kingdom of God, and healed those who needed healing" (emphasis added).

Just like Jesus welcomed the crowds, **He welcomes us into His Presence**. He will not turn us away. As believers, He does not judge us for our sins because He took the full judgment of God for us in His redemptive work. He will not condemn us. He loves us unconditionally. We can run into His loving outstretched arms of grace.

Luke 9:42 "Even while the boy was coming, the demon threw him to the ground in a convulsion. But Jesus rebuked the evil spirit, healed the boy and gave him back to his father.

God is the same yesterday, today and forever. What Jesus did when He walked on earth, He is still doing today. He came to set the captives free. Whom the Son sets free is free indeed.

Prayer: I come to You, Jesus, and I receive the freedom that You died to give me. I receive the victory that You accomplished for me in Your redemptive work. No weapon formed against me shall prevail because You are for me and not against me. By Your wounds, I am healed, delivered, made whole and set free.

Acts 10:37-38 "You know what has happened throughout Judea, beginning in Galilee after the baptism that John preached - how God

anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing **all** who were under the power of the devil, because God was with him" (emphasis added).

Since Jesus is the Word of God, this scripture means that the Word is anointed to heal all. In other words, there is an anointing on the Word of God that we believe, meditate on and speak.

Acts 5:16 "Crowds gathered also from the towns around Jerusalem, bringing their sick and those tormented by evil spirits, and **all** of them were healed" (emphasis added).

Acts 8:5-7 "Philip went down to a city in Samaria and proclaimed the Christ there. When the crowds heard Philip and saw the miraculous signs he did, they all paid close attention to what he said. With shrieks, evil spirits came out of many, and many

paralytics and cripples were healed. So there was great joy in that city."

Acts 28:8-9 "His father was sick in bed, suffering from fever and dysentery. Paul went in to see him and, after prayer, placed his hands on him and healed him. When this had happened, the rest of the sick on the island came and were cured."

These scriptures tell us that Jesus' disciples were going around healing the sick and people who were oppressed, not only physically but emotionally and mentally as well. They followed Jesus' example. They prayed for the sick, laid their hands on the sick and the sick were healed.

It is God's Will for us to be healed and be in good health (spirit, soul and body)!!!

Ephesians 1:3 tells us that our Heavenly Father has already blessed us in the heavenly realms with **every spiritual blessing in**

Christ. He has held nothing back. **He doesn't owe us a single thing but He has freely given us everything**.

It says that our blessings are in the heavenly realms **in Christ**. How do we get those blessings from the heavenly realms to our natural realm?

God's Word says that we are already seated in the heavenly realms with Jesus at the right hand of God the Father. Ephesians 2:6 says that we have been raised with Christ. We are in Him and He is in us. We are one with Him. Since Jesus is seated on the throne at the right hand of God the Father and we have been raised with Him, that means we are seated in the heavenly realms with Him.

Faith is the agent that takes the blessings. Grace has made these blessings available and faith receives them. Grace and faith go hand in hand.

James 1:17 “Every good and perfect **gift** is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows” (emphasis added).

Again we see God the Father giving us gifts. This verse describes these gifts as good and perfect. It says that our Heavenly Father does not change. He is the same yesterday, today and forever. He sent His Word and healed us and delivered us from death and destruction. He is the same today. He is constant in our lives. He is good to us and every gift that He gives us is perfect.

Isaiah 53:4-5 “**Surely** (emphatically, without a doubt,) he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us **peace** was upon

him, and by his wounds we are healed" (emphasis and parenthesis added).

Jesus took and carried away our sicknesses, diseases, pains, brokenness, etc. He was pierced, crushed and punished for our sins. In Jesus' redemptive work, He was scourged, mocked, persecuted, insulted, spit on, beaten, abused, betrayed, abandoned, rejected, blasphemed, cursed and crucified on a tree. He was wounded for us both physically and emotionally because of our sins. He took the full punishment, wrath/judgment of God that was due us so that when we believe in Him as our personal Savior and Lord we will never be punished or judged for our sins. By His wounds we **are** healed, not going to be healed. The above scripture says that we **are** healed. We believe this by faith. In fact, we **were** healed over 2,000 years ago. The manifestation of healing will come forth by believing God's Word, believing that we are healed and by planting His Word into our

hearts so that it will bring forth **life** and **health**.

Verse 5 says that He took our punishment and gave us His **peace**.

The Hebrew Word for "peace" here is "Shalom" which conveys a profound sense of wholeness, completeness, welfare, safety, health and prosperity in every area of our lives. This is what Jesus gave us in exchange for taking our punishment. Our punishment for our sins included the curse, death, sickness, disease, lack, etc. but Jesus, by His wounds, took our punishment and gave us peace with God the Father. As a result of this, our sins are all forgiven and He remembers them no more (see Hebrews 8:12). Don't let condemnation, guilt or shame keep you from receiving your healing. In Christ Jesus there is no condemnation (see Romans 8:1).

Does God want us to be free from sin and sin's punishment? Absolutely, He does but

we will never get free by thinking that God is mad at us and by believing the lies of the enemy who brings condemnation, guilt and shame. The devil wants to keep us sin conscious (pre-occupied with self) so that we don't focus on Jesus. If he can get our focus off of Jesus and onto our self, he can steal from us. God wants us to be Jesus conscious where we remember that He took all of our sins, punishment and judgment. However, if we abuse our bodies, if we commit adultery, if we enter into unlawful things, etc. we may suffer the consequences of sin's punishment but it is not God punishing us. It is our sin that punishes us. He will never condemn us for our sins. In fact, by His divine power He has provided everything we need for life and godliness (see 2 Peter 1:3). So instead of focusing on your sin, focus on Jesus who has forgiven you of all your sins. Run to Jesus and keep running to Him and that sin you have been entangled in will lose its power over

you and the truth will set you free. When you run to the Word of God, you will begin to walk like Jesus walks, think like Jesus thinks and talk like Jesus talks. This is a journey you are on with Jesus so take it one day at a time.

It is so very important for us to understand what Jesus did for us and why He did it in order for us to receive His healing. So let's take a few minutes to look at Jesus' redemption.

Jesus' redemptive work started in the Garden of Gethsemane where He sweated drops of blood. The shedding of His blood began there.

Luke 22:44 "And being in anguish, he prayed more earnestly, and **his sweat was like drops of blood** falling to the ground" (emphasis added).

Jesus was never in anguish before he entered the Garden of Gethsemane. The reason why

He was in anguish in the Garden is that He knew that the sin of the world was about to be placed on Him and that He would be separated from His Father. He knew that the time had come for Him to redeem mankind.

Just prior to this He said to His apostles "My soul is overwhelmed with sorrow to the point of death" (see Matthew 26:38).

Jesus goes off by Himself in the Garden and falls with His face to the ground and prayed "My Father, if it is possible, may this cup be taken from me. Yet not as I will, **but as you Will**" (see Matthew 26:39).

He was saying, if there is any other way for me to redeem mankind, let it be done but if not, may Your Will be done. Jesus surrendered to God's Will. He willing laid down His Will. God's Will was for Jesus to redeem mankind.

You see there is no redemption without the shedding of blood. Jesus was praying so intently in the Garden that he sweated drops of blood. Blood vessels literally broke underneath His skin from the intense pressure that was on Him and the blood formed on His skin like sweat.

Jesus was scourged with forty lashes. The whip consisted of a number of long strips of leather and attached to each strip of leather were pieces of sharp objects i.e. glass, metal, bone, etc. When the soldiers struck Jesus with this whip, the objects dug into His flesh and as they pulled the whip back, hunks of His flesh were pulled out causing Jesus to bleed profusely. There wasn't any skin left on His back. His back was one big open wound. He lost so much blood which resulted in Him being weak. No wonder He needed help carrying the cross up the hill to Calvary.

The soldiers twisted together a crown of thorns and put it on His head (see John 19:2). As they pressed this crown of thorns into Jesus' head, He bled from the many punctures that the thorns caused. It says in Matthew 27:29-30 that the soldiers took a staff and hit Him over and over on His head causing the thorns to go deeper into His scalp and causing Him to bleed even more.

Jesus hands and feet were nailed to the cross and more blood flowed.

A soldier, just prior to Jesus' death, pierced His side, and blood and water flowed from Jesus.

All of this is the redemptive work of Jesus. This is what Jesus willingly did to free you and me. He redeemed us to set us free from our sins and the curse which includes sickness, disease, pain, lack, mental and emotional bondage, etc. He redeemed us to make us whole in every area of our life.

The price for our sins and healing was paid for by Jesus over 2,000 years ago!!!

This is a finished work. Jesus said on the cross just before He died that "It is finished". He loved us this much so that we can walk in divine health, wholeness and be victorious in every area of our lives.

Psalm 103:1-5 "Praise the Lord, O my soul; all my inmost being praise his holy name. Praise the Lord, O my soul, and forget not all his benefits – who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle's."

The Psalmist spoke to his soul. We can speak to our soul as well. We can tell our soul to put our trust in God. We can tell our soul to praise the Lord who alone is worthy to be

praised. We can tell our soul to remember all God's benefits.

Read the above verses again but where it says "your" say "my" to make it personal.

As you read through these benefits again ponder these truths in your heart and believe what God's Word says about you:

1. All my sins are forgiven.
2. All my diseases are healed.
3. My life is redeemed from the pit (from destruction, decay, death, etc.).
4. I am crowned with love and compassion (God's comfort).
5. My desires are satisfied with good things.

The results of us receiving all these benefits is that our youth (our soul and body) will be renewed like the eagle's. We will have a new lease on life. There will come forth a fresh

start and a new beginning. We will have a new sense of purpose.

Isaiah 40:31 (KJV) "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary, and they shall walk, and not faint."

As we spend time with Jesus in the Word of God, we are waiting upon Him and being strengthened by Him to fight the good fight of faith. When we wait upon the Lord, He will cause us to soar on wings like eagles high above our circumstances. We will have precise vision and a keen sense of hearing just like the eagle. We will walk in greater discernment. We will walk in divine health and be strong in the Lord and in His mighty power. We will not be faint-hearted. We will not quit or give up. We will run this race with His strength and His vitality. This verse

speaks of restoration of strength to our spirit, soul and body.

Colossians 3:1-3 "Since, then, you have been raised with Christ, set your hearts on things above, where Christ is seated at the right hand of God. Set your minds on things above, not on earthly things. For you died, and your life is now hidden with Christ in God."

As I said earlier, you are seated with Christ on the throne at God's right hand in the heavenly realms which means that you are far above all rule and authority, power and dominion of the enemy; that the enemy is under your feet; that you are the head and not the tail, the top and not the bottom. Ephesians 1:20-21 and 2:6 tells us this. Because we are in Christ and Christ is in us, spiritually speaking we are seated with Him on the throne far above every sickness and disease. Since we live in Him and He lives in us, divine health also lives is us because He is Divine Health. Since

we cannot be separated from Jesus, we cannot be separated from divine health and wholeness. Since we are seated with Christ in heaven, we fight the good fight of faith from a place of victory. We set our minds on things above, not on our circumstances, knowing that we are the healed which is a heavenly mind set, not trying to get healed which is an earthly mind set. In other words, we are wholeness-conscious and not sickness-conscious. Our old sick man is already dead. It was crucified with Christ when we believed in and received Him as our personal Savior and Lord and we were raised with Christ a new creation, healed, made whole and blessed. Verse 3 says that Jesus is my Hiding Place. Therefore, my life is now hidden with Christ in God and I am already healed, delivered, set free, etc.

Galatians 2:20 "I have been crucified with Christ and I no longer live, but Christ lives in me. The life I live in the body, I live by faith in

the Son of God, who loved me and gave himself for me."

The old, sick, diseased, cursed man is dead. It was nailed to the cross with Christ. It died with Christ. It was buried with Christ. I am now a new creation. My new man was raised with Christ. My new man is healed, delivered, made whole and blessed in Christ. The blessings of God are chasing after me, leaping on me and overtaking me. This is who I now am.

2 Peter 1:3-4 "His divine power has **given** us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these (His own glory and goodness) he has **given** us his very great and precious promises so that through them (His very great and precious promises) **you may participate in the divine nature** and escape

the corruption of the world caused by evil desires" (emphasis and parenthesis added).

Again we see in God's Word that He gives. He is a giving God. By His divine power He has **given** us everything we need for **life and godliness** through our knowledge of Jesus who is the Word of God. **Godliness here in the original Greek means to regard God**. **Regarding God is standing in awe of who He is, honoring Him, seeking Him, spending time in the Word, worshipping Him, growing in our knowledge of who He is, etc.** By His divine power He has given us everything we need to walk in the abundant life that Jesus died to give us and to live a godly life. As we get to know Him in the Word, we find out what the great and precious promises are that He has given us. When we receive His great and precious promises we participate in His divine nature. His nature is first and foremost love but as you continue to read verses 5-8 you see other

qualities that are part of God's nature and by participating in His divine nature we will escape the corruption of the world caused by evil or human desires. Sometimes the desires we have, that are not godly, may cause sickness, disease, etc. in our bodies. **God does not bring the sickness or disease. Sin does.** If we abuse our bodies through ungodly desires, it will have negative results but this can change. As we repent and turn to God we can participate in His divine nature. Ask the Holy Spirit to help you participate in the divine nature so that you will escape the corruption in the world caused by human desires and receive everything that God has for you.

2 Peter 1:5-8 isn't telling us we have to be perfect to be healed because God's very great and precious promises are given to us as a free gift. However, God does want us to add these qualities, in increasing measure, to our faith so that we will grow in our knowledge of

Jesus Christ, stand firm in Him to the end and receive every spiritual blessing that is ours.

Isaiah 33:24 “No one living in **Zion** will say, “I am ill”; and the sins of those who **dwell** there will be forgiven” (emphasis added).

The spiritual application today for this verse is that Jesus is our Zion. As we dwell in Jesus we are forgiven, healed, delivered and made whole. Remember that Jesus is the Word of God, so dwell in the Word.

Jeremiah 29:11 “‘For I know the plans I have for you’, declares the Lord, ‘plans to prosper you and not to harm you, plans to give you hope and a future’.”

Put your name in this scripture and read it again.

Again we see God giving to us.

Psalm 34:19 “A righteous man may have many troubles, but the Lord delivers him from them all.”

Thank You Lord that you deliver me from all my troubles.

In You, O Lord, I am made strong!!!

In You, O Lord, I have the victory!!!

Ephesians 6:10 “Finally, be strong in the Lord **and in his mighty power**” (emphasis added).

It is His mighty power that makes us strong, not ours.

The verses following verse 10 above talk about being clothed with God’s Armor. Every piece of the Armor refers to Jesus, who is the Word of God. The only way we can be strong in the Lord and in His mighty power is to clothe ourselves with the Word of God (Jesus). He is Truth. He is our Righteousness.

He is our Peace. He is our Faith. He is our Salvation (spirit, soul and body). He is our Sword and He is our Life. This is not an external clothing but a clothing that takes place on the inside of us as we get to know Jesus through His Word.

Romans 8:11 "And if the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead **will also give life to your mortal bodies through his Spirit**, who lives in you" (emphasis added).

The Spirit of God who resurrected Jesus from death is living in me and resurrecting my mortal body. The scriptures that are surrounding this scripture are referring to our life here on earth, not a spiritual body in heaven. So if you need healing, you can meditate on this scripture that your Heavenly Father, through His Spirit who lives in you, is resurrecting that area in your body that needs to receive the abundant life Jesus died

to give you. There may be some areas in your body where it looks like death is prevailing but God says in His Word that His Spirit who lives in you is giving resurrection life to your mortal body.

Please take time to soak in God's promises and receive healing, deliverance and wholeness, and allow resurrection life to drive out every lying symptom of death, sickness, disease, decay, weakness, fatigue, etc. in your body.

"If I only touch His cloak, I will be healed."

Matthew 9:20-22 "Just then a woman who had been subject to bleeding for 12 years came up behind him and touched the edge of his cloak. She said to herself, '**If I only touch his cloak, I will be healed.**' Jesus turned and saw her, 'Take heart, daughter.' He said, 'Your faith has healed you.' And the woman was healed from that moment" (emphasis added).

This woman believed that she would be healed the moment she touched His garment. When she touched His garment, healing virtue flowed from Jesus to her.

As I fellowship with Jesus in the Word, I am touching the edge of His cloak and healing virtue is flowing from Him to me!!!

In other words, as I spend time with Jesus in healing scriptures, I'm touching Jesus and He is touching me.

Prayer: I believe in You, Jesus, and I receive Your healing virtue in my body and soul just like this woman with the issue of blood.

Acts 3:16 "By faith **in the name of Jesus**, this man whom you see and know was made strong. **It is Jesus' name and the faith that comes through him** that has given this complete healing to him, as you can all see" (emphasis added).

It is the faith of Jesus that resides in me and faith in the Name of Jesus that brings forth healing in my body and soul. As a believer, I have Jesus living in me (the Living Bread, the Word of God). As I meditate upon the Word of God and get to know Jesus more and more, **faith in His promises and in His faithfulness is arising in me**. Faith comes through Him as the above scripture says. Faith comes through getting to know Jesus the Living Word of God. It is the Word of God that becomes alive in me (Rhema), not the written Word (logos). When I draw on the Rhema Word of God in my heart, it will arise within me and produce healing, etc. Jesus' faith is activated in me as I declare God's promises and mediate on them. Jesus' faith that already resides in me begins to arise.

Close your eyes and picture yourself receiving the healing touch of Jesus as you meditate on God's promises. Picture Jesus laying His hands on your body and healing

you. It is okay to picture things with eyes of faith. In the Old Testament God told Abraham that his descendants would be as numerous as the stars in the sky and the sand on the seashore (see Genesis 22:17). God gave Abraham these pictures to see so that he would believe God for the impossible.

I want to share with you a picture I remember seeing. In this picture, Jesus was standing and wrapping His arms around a person. His entire body was made up of scriptures from the Word of God. In other words, it was the Word of God wrapping around the person and holding the person. Jesus is the Word of God. Please think about this as you spend time with Jesus in the Word. Picture Him (a bunch of scriptures from the Word forming Jesus' body) being wrapped around you and holding you secure.

Matthew 8:6-8, 13 "'Lord', he said 'my servant lies at home paralyzed and in terrible

suffering.' Jesus said to him, '**I will go to heal him**.' The centurion replied, '**Lord, I do not deserve to have you come under my roof.** But just say the word, and my servant will be healed.' Then Jesus said to the centurion, 'Go! It will be done **just as you believed it would**.' And his servant was healed at that very hour" (emphasis added).

This centurion said, "Lord, I do not deserve to have you come under my roof". The centurion did not feel worthy for Jesus to come into his home. However, Jesus extended grace which is unmerited, unearned and undeserved favor to the centurion and healed his servant. You may be feeling like you are unworthy to receive anything from Jesus. If you are a believer, you can come boldly to God's throne of grace and receive mercy and find grace to help you in your time of need (see Hebrews 4:16). He will always extend grace to you when you humble yourself before Him. Don't let the

condemnation that the enemy brings keep you from running to God's throne of grace. If you are a believer, Jesus has already set you free from condemnation, guilt and shame (see Romans 8:1). Cast it aside and receive His grace today.

Take time to drink in the truth of God's Word and be healed!!!

Matthew 10:1 "He called his twelve disciples to him and gave them **authority** to drive out evil spirits and to heal **every** disease and sickness" (emphasis added).

Jesus has given us authority over sickness, disease, demons, pain, etc. but we must use our authority. It is in the Name of Jesus that we have His authority.

Put your faith in Jesus' Name. No sickness, pain or demon can withstand the Name of Jesus.

Philippians 2:9-11 (Amplified) “Therefore [because He stooped so low], God has highly exalted Him and has freely bestowed on Him the name that is above every name, **that in (at) the name of Jesus every knee should (must) bow**, in heaven and on earth and under the earth, and every tongue [frankly and openly] confess and acknowledge that **Jesus Christ is Lord**, to the glory of God the Father” (emphasis added).

Do you know that the devil himself has to acknowledge that Jesus Christ is Lord? Do you see the power that is released when we pray in the Name of Jesus? Every sickness and disease must bow to the Name of Jesus. There is no name greater or more powerful than Jesus’ Name.

Matthew 10:7-8 "As you go, preach this message: The kingdom of heaven is near. Heal the sick, raise the dead, cleanse those who have leprosy, **drive out demons.** Freely

you have received, freely give" (emphasis added).

Luke 9:1-2 "When Jesus had called the Twelve together, he gave them **power and authority to drive out all demons** and to cure diseases, and he sent them out to preach the kingdom of God and to heal the sick" (emphasis added).

Acts 4:30 "Stretch out your hand to heal and perform miraculous signs and wonders **through the name of your holy servant Jesus**" (emphasis added).

Jesus has given every believer authority to drive out demons in His Name. Sometimes (not always) there is a demon behind the sickness or disease in our bodies that needs to be cast out. There may be a spirit of infirmity that needs to be cast out before you get well. You can command the spirit of infirmity to leave you in the Name of Jesus

and to go where Jesus is telling it to go and it must leave. Even if there is no spirit attached, you can command the sickness, disease, pain, fear, stress, etc. to leave you and it must leave. If you don't sense any change, just keep believing, meditating on and speaking God's Word, as we are to walk by faith and not by sight.

I have taken His authority over many things in my life and I have enjoyed many victories, even a few miracles. About a year ago, I had a nail fungus start in my big toe. As soon as I realized it, I began to speak death to that nail fungus and I commanded that nail fungus to leave in the Name of Jesus. Then I spoke God's healing scriptures over my nail. After being very persistent in continuing to do this for a period of time, I began to see that the new nail growth at the base on my nail was growing in clear. Eventually, as my nail grew, I was able to cut off all of the dead part of my nail that had been affected by the fungus and

I now have a completely new toe nail without fungus.

Praise God for the authority He has given us in the Name of Jesus and for His powerful Word.

I can't tell you how many times I have stood on God's Word and received the victory that Jesus died to give me. Right now I find myself persistently believing for even more victories and I am expecting the manifestations, that have already begun, to be completed.

I did not just try what I have been telling you to do to see if it would work!!!

No. No. No!!! I believe that I have been given authority in the Name of Jesus and I believe that God's Word is true and that He is watching over His Word to see that it is fulfilled.

Matthew 8:16-17 “When evening came, many who were **demon-possessed** were brought to him, and he drove out the spirits with a word and healed **all** the sick. This was to fulfill what was spoken through the prophet Isaiah: “He took up our infirmities and carried our diseases” (emphasis added).

We see people bringing others to Jesus who needed healing and deliverance from demons and He healed them. He didn’t say, “I’ll do it tomorrow or in a week”. He didn’t say, “Maybe I’ll do it or no, I won’t do it”. He didn’t say “You’re not good enough for me to heal you”. He didn’t question the sick or demonized person. He just healed him.

We are told in Luke 1:37 that nothing is impossible with God. In other words, God is all powerful and He can do anything. This caused me to think about all the seemingly impossible things that God has done. This is only a very short list compared to everything

He has done but I would like to share it with you so that your faith will increase as you see just how powerful God is. You can make your own list as well.

BEHOLD OUR GOD!!!

- Did not God stretch out the heavens and lay the foundations of the earth?
- Did not God form Adam out of the dust of the ground?
- Did not God breathe life into Adam's body that He formed?
- Did not God form Eve from Adam's rib?
- Did not God part the Red Sea and later the Jordan River?
- Did not the Israelites cross over on dry ground?
- Did not God rescue the Israelites from slavery and an ungodly Leader?
- Did not God provide for the Israelites for 40 years in the desert?

- Did not God bring water out of a rock as the Israelites were thirsty?
- Was not Jesus with the 3 children in the fiery furnace?
- Did not these 3 children come out unscathed, without even a hint of smoke on their clothes?
- Did not God shut the mouths of the lions when Daniel spent the night in the lions' den?
- Did not God feed Elijah in a drought by a Raven?

Since God did all these things, and so much more, will He not take care of us when we believe and stand on His Promises? God is the same yesterday, today and forever. He did supernatural things in the past and He is still doing supernatural things today.

In Chapters 38-41 of the book of Job, God revealed His power in answer to Job's many questions. I would encourage you to read

through these Chapters to behold God as you get a glimpse of His power and increase your knowledge of Him. To mention only one thing, God told Job He could pull in the Leviathan with a fish hook and that He could tie down his tongue with a rope.

Since God is all powerful and Almighty, it is nothing for God to heal us. In fact, we have already been healed by the wounds of Jesus. God has already made the provision. Our part is to believe and receive His provision.

You are so beautiful Oh Lord! Your beauty captivates me. I am captivated by who You are!!!

Isaiah 59:1a "Surely the arm of the Lord is not too short to save."

This word "save" is sozo. I've already mentioned the meaning of sozo in this book but I want to say it again. It means to save,

heal, deliver, make whole, preserve, protect and rescue.

John 16:23 "And when that time comes, you will ask nothing of Me – you will need to ask Me no questions. I assure you, most solemnly I tell you, that my Father will grant you whatever you ask in My name **[presenting all I AM]**" (emphasis added).

Who is Jesus to you?

How do you present all that He is? You can make your own list in your own heart but let me share with you who Jesus is to me. Above all He is my Savior, my Lord and my God in whom I put my trust and in whom I rely on. He is my Sword, my Living Water, my Bread of Life, my Vine, my Source, my good Shepherd, the Word of God, my Foundation and my Rock upon whom I stand (I will not be shaken). He is trustworthy, faithful, compassionate, merciful, gentle, full of grace and loving. He is all knowing, all present and

all powerful. He is the One and Only true God. He is my Confidante, my Grace, my Healer, my Protection, my Deliverer, my Refuge, my Shield, my Hiding Place (the One I run to), my Fortress, my Counselor, my Redeemer, my Ransom, my Bridegroom, my Husband, the Lifter of my head, the Lover of my soul, the Love of my life, my Peace, my Joy, my Righteousness, my Victory, my Sustainer, my Strengthener, my Developer, my Advocate, my Avenger, my Defender, my Teacher, my Provider, my Sanctification, my Friend, my Comforter, my Encourager, my Wisdom, my Stronghold, my Example, my Everything, my All in All. Whatever I need or want Jesus to be to me, He is.

As you conclude this book, I want to encourage you to continue to meditate on the healing scriptures in this book and also find scriptures that pertain to your situation and be persistent in meditating on them until the manifestation of your healing comes. Ask the

Holy Spirit to help you to stand firm and not give up. Do not let them out of your sight. Keep them within your heart for they are life to you and health to your whole body.

Psalm 18:37-38 "I pursued my enemies and overtook them; I did not turn back till they were destroyed. I crushed them so that they could not rise; they fell beneath my feet."

I would like to leave you with one final scripture.

Philippians 1:4-6 "In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, **that he who began a good work in you will carry it on to completion until the day of Christ Jesus**" (emphasis added).

God has begun a great work in you. Allow Him to carry on that good work in you so that

when the day of Christ comes, you will be complete in Him.
